Discover...*your inspiration*

Discover  
**NASA**  
Day 2002

**Discover...what it's like to be an astronaut.**

What's it like to work in an orbiting lab 250 miles above the Earth? Find out from the NASA astronauts who are helping to build the International Space Station on orbit.

**FREE FUN FOR THE PUBLIC:**

- Meet and talk to NASA astronauts
- Hear about what it's like to live in space
- Try on a space glove
- Learn about cool space suits and tools

**SATURDAY**  
**OCTOBER 19**  
**10 A.M. - 4 P.M.**

General Assembly Hall  
George R. Brown Convention Center  
Houston, Texas
